

Group business breakthrough: interactive floor plans on the CSN.

Give planners the all information they need to choose your event space when you add interactive floor plans to your Cvent Supplier Network profile.

- ✓ Drive high-value leads by proving your space can accommodate the needs of planners anywhere.
- ✓ Gain a competitive advantage on the world’s largest event sourcing platform with unique content.
- ✓ Make sure your venue appears in search results when planners filter for “Floor plans from Social Tables.”
- ✓ Save your salespeople time and energy by ensuring they only talk to highly-qualified planner leads.

Interactive floor plans on the Cvent Supplier Network is a huge win for planners everywhere. The first question planners ask themselves is ‘Will my event work in this space?’ This completely answers that question. Venues with this new feature are going to win more business.
